

Media Invitation | Our Future | Our Economy

MEC for Economic Development, Tourism and Environmental Affairs and Leader of Government Business Siboniso Duma to reflect on issues in the public domain

24 October 2023

Pietermaritzburg: When we assumed office we offered to play a much more assertive and visible role in providing leadership and coordinating priority government programmes championed by the department and our entities.

We are rebuilding our economy and creating jobs.

Tomorrow, we will reflect on our programme of action over the past few months and outline plans for next two months and beyond.

In our interaction with members of the media, we will also deal with current issues that have been in the public domain.

The media is invited to attend the media briefing scheduled as follows:-

Time : 10h00

Venue: Archie Gumede Conference Centre (Department of Public Works, Mayville)

Date : 25 October 2023

We remain firm in our position that from top management to the lower level, we want our employees to have the capacity, the right attitude and required ethical standards to serve the people of this province.

Our position has not changed.

Members of the public are drawing inspiration from senior managers and all categories of staff in the department and in our entities especially those who are using their technical qualifications for the benefit of ordinary members of society.
