Prices referred to in the determination of x must be converted to Rand (ZAR) by using the exchange rate published by South African Reserve Bank (SARB) on the date of advertisement of the bid as indicated in paragraph 3.1 below.

The SABS approved technical specification number SATS 1286:2011 is accessible on http://www.thedti.gov.za/industrial_development/ip.jsp at no cost.

1. BACKGROUND INFORMATION

The section that follows provides an overview, background and purpose of the project:

1.1. Overview

Tourism is a concurrent function of the National and Provincial Government with programmes implemented at local Government level. The main thrusts are provision of:

- Tourism Legislative and Regulatory Framework
- Conducive conditions for sustainable growth and development
- Bridge the gap between the first and second economies within Tourism industry.
- Development and Transformation of the Tourism Industry.

1.2. Background to the Project being tendered for

The Nkandla municipality is situated in western side of King Cetshwayo District (DC28). It is positioned close to the country's two largest ports, lying about 130 kilometres inland from Richards Bay and 250 km north of Durban. Nkandla Town is classified as a Rural Service Centre (RSC) and a Provincial Rural Administrative Centre (PRAC) is the only formalized urban area located within Nkandla situated approximately 50 kilometres south-west of Melmoth and 65 kilometres from Eshowe. It is isolated from the major economic development corridors: access is via a main tar road from Melmoth, and tar road from Eshowe, Kranskop and Nquthu.

This region is known as the 'cradle' of Zulu history. From Mandela to Shaka, to Dingane and Cetshwayo, Nkandla has been at the centre stage of the Zulu nation's history. The graves of King Mandela and Cetshwayo and Inkosi Sgananda are at Nkandla. Nkandla Municipality is one of the municipalities in the province of KwaZulu-Natal that prides itself with rich and opulent history. The richness of its history starts from its name "Nkandla" which has got its origin from the Zulu word (khandla) meaning 'extreme exhaustion'. The man behind the popular name 'Nkandla' is none other than the founder himself of the Zulu Nation, the King Shaka. Thus, telling any success stories of the Zulu Nation without mentioning the name Nkandla is entirely incomplete.

Nkandla offers exquisite natural beauty i.e. Beautiful Mountains, hills, indigenous forest with birding routes. It is also a home of a high-quality world-class tea, the monuments, traditional crafts, history, customs, and religion. Nkandla today is known all over the world as the place where the former president was born (Nxamalala). With so much to offer the guests in terms of historical, cultural, and natural activities i.e. Exciting Adventures (Mome Gorge), Visit local Shebeens, meet Nkandla Crafters, Nkandla has a huge history and cultural heritage with a cultural legacy that dates to the great Zulu King Shaka and beyond.

The area has a wealth of undisturbed forests that boast mostly indigenous species. Nkandla Town offers the full array of urban development, albeit at a smaller scale compared to the majority of towns in KwaZulu-Natal. Given its under-development, the area is nevertheless rich in natural resources and has great potential for economic growth.

Matshenezimpisi Community Conservation Area (CCA) is located within the Nkandla Local Municipality (east of the town of Nkandla). The reserve was established by the people of Mahlayizeni, it boasts chalets, a multi-purpose hall and game such as zebra and impala. This eco-tourism venture includes indigenous forest and a beautiful waterfall where the Ntumbeni River joins the Umhlathuze River. The stilted chalets offer sweeping views of the Umhlathuze River as it winds its way to the coast and the surrounding mountains. This is a small game reserve previously managed by Ezemvelo KZN Wildlife.

1.3. Purpose of the Terms of Reference

The sections below highlight the main objectives of this project.

2.1. Overall Objective of the Contract

The overall objective of this contract is to secure the services of suitably experienced and qualified service provider to develop a Viability Re-Assessment Study and Business Plan for the refurbishment and operations of Matshenezimpisi Community Conservation Reserve infrastructure.

The aim of the Viability Re-Assessment Study and Business Plan is to provide a detailed analysis of the current existing structures within the Matshenezimpisi Reserve that require refurbishment and improvement to operate according to the minimum tourism standards. The assessment thereby will inform a diminutive business plan which will provide guidance and directions with respects to the operations and management of this reserve.

The business plan is expected to be based on the outcomes of the feasibility study and will be an easy to implement, inexpensive, with a narrow and focused scope that will have quick-win recommendations that can be fully implemented as low hanging fruits whilst looking into broadening the scope and budget sourcing in the future if such recommendation come out of the study. This will provide project momentum by driving early value if the project is found feasible with a possibility of full scale development in the near future.

2.2. Specific Objectives

- To provide a detailed status quo report of the existing structures and their current conditions.
- To unpack tourism products and activities that are available for exploring within the reserve.
- To provide a detailed assessment of the current market and the potential market.
- To conduct a SWOT and Gap analysis and to formulate conclusions and recommendations for product development, product diversification, marketing strategy and land analysis in order to unleash the tourism potential for the reserve.
- To conceptualize new products for implementation within Matshenezimpisi and clearly outline processes for implementations.
