3. Resourcing the Tourism Classroom

We believe that providing resources for the tourism classroom is essential for the development of the tourism industry. The Department of Economic Development, Tourism and Environmental Affairs in KwaZulu-Natal is committed to empowering learners and teachers through the provision of the necessary resources needed to enhance their learning experience.

Benefits for Learners:

- Access to up-to-date and relevant learning materials
- Improved understanding of the tourism industry
- Practical experience through the use of resources such as field trips, simulations, electronic equipment, tourism dictionaries, maps, clocks, videos and other educational materials
- Improved chances of success in their academic and future careers

Benefits for Teachers:

- Access to relevant and comprehensive teaching resources
- Improved teaching experience
- Opportunities for professional development
- Improved chances of success in the teaching profession

How to Participate:

We invite individuals and organizations to partner with us in this initiative. Your support will go a long way in providing the necessary resources needed for the tourism classroom.

We also encourage schools to participate in the **iNgakithi Tourism Schools Competition**, as this will be used as a drive to select schools to resource.

To support this initiative, kindly contact us on **iNgakithiTSC@kznedtea.gov.za**.

Let us work together to provide a better future for our learners and teachers in the tourism industry.
